Ms. Maria Teresa Arcos, Abogado
Ms. Maria Teresa Cuadra, Accountant

Dear Sir and Ladies,

We hope you had a pleasant weekend and are feeling well.

We received the enclosed fax from the Contractor, Plus Valor, on Saturday. I am not certain as to the validity of their claims, however, we would like to move in to the new property as expeditiously as possible. Please do all that you can to make that happen rapidly while still protecting our interests.

As we are unfamiliar with business practices in Spain, we thought it best if you contacted the Contractor, Plus Valor, directly and worked out any misunderstandings or delays in the preparation of the new property. We have approved 3 of their bids. The bid for the furnishings, construction and electronics (TV, satellite, etc.). We have instructed our bank in Singapore to wire an additional \$350,000.00 U.S. Dollars into your clients escrow account for placement in the appropriate new companies.

Per my conversation with Ms. Arcos we have also found a Jeep Grand Cherokee to purchase on behalf of the appropriate company. In addition to the car itself, we asked that a GPS (Global Positioning Satellite) system in English or Spanish be installed so we can find our way around Marbella and we have also asked them to tint the windows. This transaction is also approved and we could use a car soon.

We are un-sure of how the process of transferring the boat, car and container of computers and clothes and other possessions is progressing but Mr. Laurie informed us he had spoken with Ms. Arcos and everything was going along smoothly. The boat and the car should be registered and owned by the appropriate company along with any insurance or other proper and legal necessities for said items.

Please thank Mr. Cuadra for the referral to Doctor Emilio Gonzalez. Marc said he was a nice doctor and between the two of them they were able to communicate. There is one prescription medication of the medical regimen that was unavailable in Spain, but Doctor Gonzalez was researching how to acquire it.

Thank you for all your time and effort working on our behalf and your continued good service and always pleasant and professional responses to our requests and needs.

Best regards,

Chad Shackley
